

Particularly the Ladies.

Not only pleasant and refreshing to the taste, but gently cleansing and sweetening to the system, Syrup of Figs and Elixir of Senna is particularly adapted to ladies and children, and beneficial in all cases in which a wholesome, strengthening and effective laxative should be used. It is perfectly safe at all times and cures colds, headaches and the pains caused by indigestion and constipation so promptly and effectively that it is the one perfect family laxative which gives satisfaction to all and is recommended by millions of families who have used it and who have personal knowledge of its excellence.

Its wonderful popularity, however, has led unscrupulous dealers to offer imitations which act unsatisfactorily. Therefore, when buying, to get its beneficial effects, always note the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package of the genuine Syrup of Figs and Elixir of Senna.

For sale by all leading druggists. Price 50 cents per bottle.

Work Begs Work.

George W. Perkins, the New York financier, was talking about the scarcity of the \$10,000 a year man—the man actually worth a \$10,000 salary.

"The advantage of the \$10,000 a year man," he said, "is not alone that he works splendidly—it is also that under him everybody else works splendidly. There's a Chinese proverb," he said, "that expresses exactly what I mean:

"If a farmer is diligent the soil will not be lazy."

Relieves Urinary and Kidney Troubles, Backache, Straining, Swelling, Etc.

Stops Pain in the Bladder, Kidneys and Back.

Wouldn't it be nice within a week or so to begin to say good-bye forever to the scalding, dribbling, straining, or too frequent passage of urine; the forehead and the back-of-the-head aches; the stiffness and pains in the back; the growing muscle weakness; spots before the eyes; yellow skin; sluggish bowels; swollen eyelids or ankles; leg cramps; unnatural short breath; sleeplessness and the dependency? I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$2.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. B. Robinson, 32-33rd Street, New York City, and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has great healing and pain-conquering power. It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.

"Have you seen Joe lately?" "Why, yes; I saw the old chap yesterday. And, what do you think—he's going to be married."

"Can it be possible? To whom?" "He's going to marry Mary Merrie."

"What! Why, I didn't know they knew each other."

"They don't. That's why they're going to be married."

Wheat Goes Down.

De Broker—Hear about De Curb? De Ledger—No. What's happened to him?

De Broker—Knocked flat.

De Ledger—You don't say so. Was he caught by the drop in wheat?

De Broker—Well, yes; something like that. A barrel of flour fell on him.

HOUSE OF FAMOUS MEMORIES

Old Mott Mansion in New York Has Long Been a Landmark of the City.

The old Mott Memorial Hall at 64 Madison avenue, New York, which was recently purchased at auction by the McVicker-Gallard Company for a client for \$70,000, was several years ago a famous medical and surgical headquarters, containing the library and surgical specimens of the eminent surgeon Dr. Valentine Mott. Before the erection of the Medical Academy in Forty-third street it was used as the meeting place of many medical societies. The property has been owned by the Mott family for many years and has now just passed into other hands, and within the past week the fine bust of Dr. Mott, made by J. Q. A. Ward, was removed from the old hall.

Mott House in New York.

Library to the home of one of the sons. Beside being the headquarters of the medical fraternity for many years the Groller club was organized there, and the New York Genealogical and Biographical Society was also formed there and used the rooms for its meeting place forty years ago.

The first woman physician in this country, Dr. Mary Putnam, read her first paper there. Later day events were the nomination of Theodore Roosevelt for member of the assembly, and the private reception given to Charles Stuart Parnell on his first visit to America. Maud Gonne, the Irish Joan of Arc, also spoke there.

The plot was bought in 1865 for \$30,000, and it is said that the two lots north could have been bought for the same figure. So strong has been the upward rise of real estate values that the average price per lot in that section today is \$125,000.

MEMORIAL ON HISTORIC SPOT

Plan on Foot to Mark Place Where Important Treaty With Indians Was Signed.

An appeal is being made by the Saskatchewan branch of the Western Art association for funds for the purpose of erecting a memorial at Fort Qu'Appelle to mark the spot where the treaty with the Indians was signed which handed over this country to the use of the white man for ever.

It is proposed that the memorial should take the form of a mass of native rock, with the names of the signatories to the treaty carved upon a bronze tablet which will be let into the face of the stone. This stone will be erected on the site pointed out by Mr. Archie McDonald and the Rev. Father Hugonnard of the Mission, who were both personally present at the signing of the treaty.

The committee hopes to be able to mark off the plot of ground around the memorial stone with a suitable enclosure. They appeal to the general public

to give them the financial assistance necessary to carry this program to completion, and feel confident that they can count on the support of everyone who is interested in the history of their adopted home. It was a great historic occasion and certainly deserves to be commemorated in some lasting form.

It is estimated that a sum of \$3,000 will be required to worthily complete the schemes.—Montreal Herald.

Only Chicken-Nosed Man.

Pottsville, Pa.—Charles William Kabbach, 65 years, the only resident of Pottsville who ever had chicken flesh successfully grafted upon his body, died suddenly at his home here the other day while eating breakfast. Some years ago he met with an accident which resulted in the slicing off of part of his nose, and a local physician successfully experimented by replacing the missing portion with a piece of chicken flesh and skin, with scarcely any disfigurement.

IS THE PAIN THERE?

"Every Picture Tells a Story"

Then Your Kidneys May Be Weak and in Need of Quick Attention

Backache is enough cause to suspect the kidneys. The kidneys are in the small of the back. Congested kidneys swell and throb. The back naturally aches. It hurts to bend or stoop or to sit down.

Kidney trouble may come on all unnoticed. A cold, a chill, a fever, a strain or irregular habits may start it. While sick kidneys can be cured in the beginning, it is a serious matter when dropsy, gravel or Bright's disease sets in.

Doan's Kidney Pills have made a reputation in the cure of backache, and kidney and bladder ills. The best proof is the testimony of the users. Here are two typical testimonials. Thirty thousand others are being published in the newspapers. A postage stamp will bring you reports of cases nearer home.

If you suspect your kidneys, get the best-recommended kidney remedy.

MRS. EMILY HOWES.

Who Resides at 1700 Burling St., Chicago, Ill.

Made Well After Being Almost Helpless from Wasting Kidney Troubles.

"I had awful pains through my hips," says Mrs. Howes, "and frequently wished I had never been born."

I seemed to have lost all interest in life. I doctored for female trouble thinking my condition was due to some derangement of that nature, but got no better. "Finally I began using Doan's Kidney Pills and to my surprise I began to improve. They not only corrected the kidney action, but stopped the pain and sickness I had thought was due to female trouble."

A. DEARTH.

A Resident of Camden, O.

Cured After Being Confined to Bed for Seven Weeks.

"I was in bed seven weeks with kidney trouble," said Mr. Dearth, "and grew worse in spite of all the doctor could do. Kidney secretions were in terrible condition. If left standing they thickened like glue and had to be removed with a knife."

"My own doctor gave me up. I then called in a specialist who said I was beyond recovery. I had lost over 20 pounds and was but a shadow of my former self. I used one box of Doan's Kidney Pills and soon felt better. Continuing I was cured and have not had the slightest trouble since."

A Beautiful Decline.

Ollie James, the gigantic and genial congressman and senator-elect from Kentucky, was in conversation the other day with a Washingtonian when the latter made certain inquiries with reference to a mutual friend whom he had not seen for a number of years.

"And how does Col. Prescott spend his declining years?" he asked.

"Beautifully, sir; beautifully!" answered James. "He has a fine farm, sir. A string of trotters, sir. And a barrel of whisky 16 years old—and a wife of the same age, sir!"
